Provision of Services	Declarations

## Referințe

### Regulated professions in Romania

1)

Current screening information has been rejected with following comment: requested by Stefan Serban

2)

This screening is in „rejected“ state with following comment: - could you please provide a short description of activities which can be performed only by this profession? - could you please provide a short explanation for the modification introduced rather than referring as not specified? -could you please provide a short explanation on why requirement on corporate form has been introduced rather than referring to not necessary. Thank you

3) 4)

Current data has been rejected with following comment: Please ensure the coherence between the activities covered and the reserved activities. thank you

5)

Current data has been rejected with following comment: Could you please complement the justification for imposing a prior check of qualifications under article 7-4 because currently you refer only to the procedure and not to the justification. Thank you in advance

6)

This screening is in „rejected“ state with following comment: the duration of the training includes only the specialty training or also the general studies? it should include both

7)

This screening is in „rejected“ state with following comment: the duration should cover both the general studies and the speciality studies (rezidentiat)

8)

Current data has been rejected with following comment: could you clarify in the activities covered the differences with the activities covered/performed by the expert contabili. thank you

9)

This screening is in „rejected“ state with following comment: Please clarify what are the shared

activities with expert contabil and activities reserved to that profession in order to better distinguish between these 2 professions. thank you

10)

This screening is in „rejected“ state with following comment: Could you please specify if there is prohibition on joint practices. Thank you

11)

This „Proportionality“ is in „rejected“ state. with following comment: Could you please provide targeted responses to questions 3-4-5-6 ? Thank you in advance

12)

This screening is in „rejected“ state with following comment: Could you please complement your submission by providing a short explanation on every requirement introduced rather than only referring to the law in force? Thank you in advance

13)

This „Proportionality“ is in „rejected“ state. with following comment: Could you please provide short explanation for questions 2 to 10 explaining why the profession is regulated. The mere reference to the law applicable and the collaboration with the relevant ministry is not sufficient. Thank you in advance

14)

This screening is in „rejected“ state with following comment: Could you please notify all the requirements applicable before submitting, such as competency requirements as well as exercise requirements. Thank you

15)

Current data has been rejected with following comment: rejected to the coordinator upon his request

16)

This screening is in „rejected“ state with following comment: Could you please provide a short explanation of the requirement introduced in complement to the law applicable. Thank you in advance

17)

This screening is in „rejected“ state with following comment: Could you please provide a short explanation of the requirement introduced and not refer only to the relevant law applicable. thank you in advance

18)

This screening is in „rejected“ state with following comment: Could you please notify all the requirements applicable (competency requirements as well as exercise requirements). thank you

19)

Current data has been rejected with following comment: 1. Recunoasterea este pe Directiva 2005/36?  
2. Justificarea pt Art. 7.4

20)

Current screening information has been rejected with following comment: Please answer all the questions.

21)

Current data has been rejected with following comment: Could you please check if it should be rather classify under sports instructor rather than secondary teacher. Thank you

22)

Current data has been rejected with following comment: Please be more specific about specific activities performed by this profession and which can only be performed by this profession. thank you

23)

This screening is in „rejected“ state with following comment: Please be more specific about which specific activities are reserved to that profession. thank you

24)

Current data has been rejected with following comment: Could you please check the coherence between the description of the activities covered and the reserves of activities because they do not appear the same. Thank you

25)

Current data has been rejected with following comment: Could you please specify the required level of qualifications? Thank you in advance

26)

This screening is in „rejected“ state with following comment: Please notify the exercise requirements. Thank you

27)

This screening is in „rejected“ state with following comment: Could please notify all the requirements applicable (competency and exercise requirements). Thank you

28)

This screening is in „rejected“ state with following comment: Could you please fill in the field of reserves of activities? Thank you in advance

29)

Current data has been rejected with following comment: Please correct the legal basis for regulation since Directive 2005/36/EC does not harmonise the training conditions, only the national law.

30) , 33) , 36)

This regulated profession is in „deleted“ state. No action possible from here anymore with your role.

31) , 34)

This screening is in „rejected“ state with following comment: the profession has been deleted

32) , 35)

This „Proportionality“ is in „rejected“ state. with following comment: this profession is deleted

37)

This screening is in „rejected“ state with following comment: requested by Stefan Serban

38)
